

Why Eastridge Christian School?

We are a Christian preschool and kindergarten, and a ministry of Eastridge Church. Our curriculum is theme-based and taught from a Christian frame of reference, teaching that God is our Heavenly Father and Creator, and Jesus Christ, His Son, is our loving Savior. We use the Bible, God's Word, in our classrooms and teaching. In addition to our developmentally appropriate curriculum, your child will participate in Chapel time each week, listen to Bible stories, sing songs, say short prayers and memorize short Bible verses. Field trips and special classroom events enrich our curriculum throughout the year.

Kindergarten Academics

Kindergarten is such an important year in the life of your child's education. The kindergarten year sets the foundation for continued learning. We offer a small class size (16 students max) with two teachers, which allows for individualized instruction to build on your child's strengths. Our curriculum aligns with the Issaquah School District and National Standards.

We want children to be excited about learning and that's why we have developed an interactive learning kindergarten experience at Eastridge Christian School.

Preschool Academics

Emphasizing school readiness and preparedness skills. We focus on recognizing names, letters, numbers, colors, patterns, and shapes. Our preschool program emphasizes motor skill development, classroom and social skills, communication skills, literature and music appreciation, community awareness, and discovering God's world around us.

Lunch Bunch

Students in the 3's, Young 4's, and Pre-K classes may extend their day and stay for Lunch Bunch for an additional \$7 fee. Students eat lunch together and have more time to play.
