Week Three: "The Antichrist"

GROUP DISCUSSION QUESTIONS

Getting Started (10 Minutes)

- Who are some figures in history that you recall were suspected to be the Antichrist? Why do you think they were considered to be the Antichrist?
- What is one thing from this week's teaching from Pastor Larry that spoke to you the most?

Digging Deeper (25 Minutes)

- 1 John 4:2-3 tells us that the "spirit of antichrist" is in the world already. It also says that "every spirit that does not confess Jesus is not from God." In what ways is this "spirit" operating in the world today?
- In Pastor Larry's teaching he referenced 16 different things the Bible says about the Antichrist. Which characteristics were you not aware of before? What major themes do these characteristics reveal?

- The Antichrist will persecute the tribulation saints (those who believe in Jesus during that seven-year period). In what ways will it be more difficult to remain faithful to Christ during the tribulation than it is now?
- Read 2 Thessalonians 2:1-17. Paul is encouraging and comforting the Thessalonians because they incorrectly thought that they had missed the rapture and were living in the day of the Lord's wrath. What does Paul say to instruct them and comfort them?
- What does 2 Thessalonians 2:8 tell us about the destiny of the Antichrist?

Wrapping Up (10 Minutes)

- Is your heart burdened for someone right now whose name is not "written in the Lamb's book of life?" Share their name with your group. Pray as a group for each name mentioned. Pray that God would give you opportunity to share the gospel with them. Pray that their hearts would be softened and opened to receive Christ.
