Week Seven: "The Great White Throne Judgment"

GROUP DISCUSSION QUESTIONS

Getting Started (10 Minutes)

- Have you ever been in a courtroom? If so, what were your thoughts and feelings?

Digging Deeper (25 Minutes)

- Read 2 Peter 3:1-13. How will the final judgment affect the earth and universe as we know it? Why do you think they must be destroyed? How does Peter tell us to live today in light of what is going to happen in the future?
- Pastor Larry taught that the person on the Great White Throne will be God in the form of the glorified Christ. Why do you think it is significant that Jesus will be the one to judge all of the unbelievers?
- Review the six "books" that Pastor Larry referred to as evidence against unbelievers. How would you feel if you were standing

before Jesus as an unbeliever as these “books” are opened in evidence against you?

- The final sentence for unbelievers is to be thrown into the “lake of fire” for eternity. What does this tell us about sin? About God? About justice? About Jesus? About grace?
- After studying about the Great White Throne Judgment, what are you most troubled about? What are you most thankful for?

Wrapping Up (10 Minutes)

- Continue to pray for any friends or family members that have not trusted in Jesus for their salvation.
- Take time to pray for each other's needs in light of what we have learned in this week's study.
