Week Six: "The Millennium"

GROUP DISCUSSION QUESTIONS

Getting Started (10 Minutes)

- After hearing about the aspects of the Millennial reign of Christ, what excites you the most?

Digging Deeper (25 Minutes)

- Read Revelation 20:1-3. What do these verses tell you about Satan and his power? What do these verses tell you about Christ and His power?
- We will reign with Christ during the Millennium here on earth – amazing! As a group, use your imagination to talk about what that will be like – politically, socially, spiritually, physically.
- Do you struggle with the idea that Satan will be released to deceive the nations at the end of the Millennium? Why or why not?

- People who will be born during the Millennium will be born with a sin nature and some will still choose to love their sin more than Christ, even when the environment is good, righteous, and just. What does this reveal about the human heart? What does this reveal about the nature of sin?
- Revelation 20:10 describes the final destiny for Satan. How should the fact that Satan is a defeated enemy who will eventually be thrown into the lake of fire, affect the way you think and live today?

Wrapping Up (10 Minutes)

- Jesus is the King of kings and Lord of lords! Is there an area of your life that you have not surrendered to His Lordship? After hearing how things will be during His Millennial reign on earth, how do you think your life would be different if you surrendered that area to His Lordship right now?
- Take time to pray for each other's needs in light of what we have learned in this week's study.
