Week Nine: "What the Bible Says About Heaven"

GROUP DISCUSSION QUESTIONS

Getting Started (10 Minutes)

- What are the top three things you are looking forward to in heaven?
- In your opinion, why do some people think that heaven will be boring?

Digging Deeper (25 Minutes)

- Have you imagined heaven as similar or different from life on earth now? In what ways?
- Review the four ways the Bible describes heaven (Paradise, a City, a Country, and the Father's House). What do those four images convey to you about what heaven is like?"
- Review the blessings of heaven (Light, Beauty, Full Knowledge, Rest, Service, Joy, Fellowship). Which of those blessings do you look forward to the most and why?

- Does it surprise you that we will “work” and “serve” in heaven? Why or why not? How do you think work and service will be different in heaven compared to on earth now?
- Read Colossians 3. Discuss why being “heavenly minded” as Paul describes in this chapter, truly results in us being “earthly good.”

Wrapping Up (10 Minutes)

- What questions do you have about heaven?
- Take time to pray for each other’s needs in light of what we have learned in this week’s study.
