## **GROW**

### **Read Matthew 6:9-13**

1. What is the "Kingdom of God" as you have come to understand it?
2. A kingdom is found inside the boundaries of which the king reigns. How does this apply to God's Kingdom? If God's rule extended into every area of your life, how different would you actually live your life?
3. If God's rule extended into absolutely everything, how different would our world function and how different would our lives play out?

### **Read Matthew 13:44-45 and Matthew 19:16-24**

1. How do these verses describe the Kingdom of God?
2. According to these verses, what must one do to receive this great value?
3. How do these verses apply to the life of a follower of King Jesus? What are the benefits of experiencing the Kingdom of God on earth? How do these benefits manifest practically for followers of Jesus?

### **Read Luke 9:23-27; Galatians 2:20; Philippians 1:21; and Philippians 3:8-11**

1. According to these verses, what must happen for us to be a part of God's Kingdom? How is this different from our current social values?
2. Having read the above passages, describe "die to self" in your own terms. How does "dying to self" enable God's Kingdom to reign in the life of a believer?
3. Why do you think the concept of God's Kingdom and His reign as King in the lives of God's children, is central to Jesus' teaching on prayer?

4. For those who have died to themselves, how would their prayers with God change? As a result, how would their thoughts and actions change for the sake of God's Kingdom?
